of Jesus

Hundreds of years before it happened, prophets predicted the birth of Jesus.

About 710 years before the birth of Jesus, Micah, a Jewish prophet, wrote:

“But you, O Bethlehem... are only a small town in Judah. Yet, a ruler of Israel will come from you; one whose birth will be announced from the distant past.”

What do YOU think?

What is happening in each of these?

Can you tell them what the predictions are about?

Christ is the one whom the prophets predicted.

Who is the one whom the prophets predicted?
